Ziengenfuss Retires From AC Transit

George W. Ziengenfuss

Nearly half a century of work in the transit field has ended for an AC Transit veteran with the retirement of George W. Ziengenfuss, supervisor of claims.

Ziengenfuss, 75, of Albany, started work for a predecessor company of AC Transit on May 3, 1921. His retirement, effective April 1, closes his career just weeks short of the 50-year mark.

Ziengenfuss was born April 16, 1895, in the Mission San Jose District of Fremont but spent his early years in Pleasanton and San Jose.

Following service in France during World War I, Ziengenfuss worked for Standard Oil Company in Richmond for two years before joining what was then called Oakland Terminal Railway Co. The firm's name was changed to Key System in 1924, then Key System Transit Lines, before it was bought by the publicly-owned transit district.

During his career Ziengenfuss served in a variety of jobs, including streetcar conductor, motorman, dispatcher, switcher, and clerk, until early in World War II, when he moved to the Claims Department.

Over the years he has been active in Boy Scouts and the American Red Cross. He was Berkeley Area Red Cross Disaster Committee chairman for five years.

An accomplished ballroom dancer, Ziengenfuss maintains membership in five different dancing clubs.

Ziengenfuss and his wife, Edna, live at 523 Santa Fe Ave., Albany. They have a son, Donald, and a daughter, Mrs. Ellen Smith, and five grandchildren.

Orchestra Concert Friday

Haydn, Handel, and Bizet will be the featured composers at the 17th annual Albany High School Orchestra Concert this Friday evening in the Cornell School auditorium.

The 40-piece Albany High Orchestra, which has won consistent "Superior" and "Excellent" ratings at Bay Area music festivals over the past 12 years, will be under the direction of Ernest Douglas. They will play the Symphony No. 88 by Joseph Haydn, selection from Bizet's popular opera "Carmen," and two modern works: "Catskill Legend" by Paul Whear and "Pas-sacaglia" by the contemporary Czech composer, Vaclev Nelhybel.

Featured soloist for the program will be oboist Kathy Berry, who will play the Handel Concerto Grosso for oboe and strings. She is the daughter of Mr. and Mrs. Clark Berry of 965 Ventura, is the orchestra's first oboe and president, and was recently selected as principal oboe in the University of the Pacific's Music Clinic Orchestra.

Scholarship grants of \$5,000 each were awarded to six minority group winners in 1970. These candidates plan to enter the teaching field.

Interested Albany citizens who wish to participate in the 1971 drive may contact Mrs. Robin Davis and Mrs. Toni Mulera, co-chairmen of the ATA Human Relations Committee, at the Marin School, 1400 Marin Ave., Albany.

Capital Funds Campaign Will Modernize Four YMCA Buildings and Gualala

Mr. George Truitt will serve as General Chairman of the Berkeley-Albany YMCA \$633,000 Capital Funds Campaign for modernization and development of its four buildings and camp.

The announcement was made by Mr. Leslie Dobbins, chairman of the Campaign Steering Committee.

"This appointment marks the opening of an enlistment program which has an organization-

al objective of six hundred persons, and we are most fortunate to have as general chairman a man who is both a long-time member of the YMCA Board of Directors and a widely-known Berkeley businessman," said Dobbins.

The \$633,000 goal represents the amount necessary to accomplish these proposed modernizations and additions. The present downtown building dates from 1910. Changes are needed to meet present program requirements. Over 500 women now use completely inadequate physical education facilities. Lobby and offices are gloomy and uninviting. They must be made more functional and attractive. Forty-three resident rooms need modernization. Fire and safety codes must be met throughout the building.

West Berkeley YMCA building dates from 1938 and serves as a physical education center for church leagues, industrial leagues, youth leagues in basketball, volleyball, etc. Modernization is needed in heating, lighting, painting, paving of playfield. New exercise and gymnasium equipment is needed.

South Berkeley Center's old facility has served as a church, a USO, and for the past 21 years as a YMCA Youth Building. Present plans call for the replacement of the old all-purpose room with a new multi-purpose room containing new kitchen and furnishings.

Albany Branch building dates from 1931 with an addition built in 1960. Programs have changed and the building needs modernization to be functional. A drop-in teen center would better serve the many teenagers using the building. Physical fitness classes for all ages are popular and an additional special exercise room is greatly needed.

One hundred fifty campers and staff use Camp Gualala each year.

Hair Party Features Wigs

Guests who attend the "Hair!" party given by Elm Branch of Children's Hospital Medical Center, Wednesday, March 10, may indulge in the average woman's dream—to try on every imaginable wig style in a variety of colors.

The champagne luncheon party will be held starting at noon in the Albany home of Mrs. Jerome Blank, event chairman. She is being assisted by Mrs. Canio Maffucci of El Cerrito, co-chairman.

Tickets (at \$2 each) may be reserved by calling the chairman at 525-2240 or 525-5632.

The "wig try-ons" will be conducted by Mrs. Loren Baum of Albany, an associate member of Elm Branch.

Date Change For Live Wires

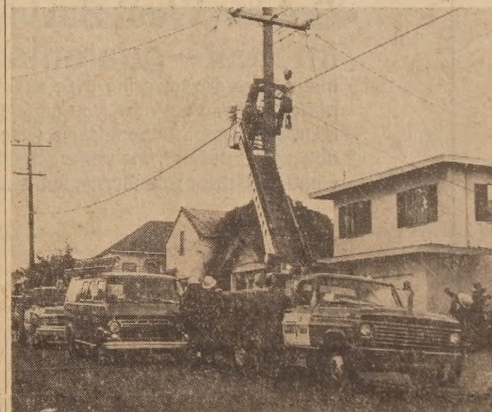

The date has been changed on the Live Wires' Chinatown Tour to March 7 and the bus will leave Brighton and Kains Avenues at 10 a.m.

Because confirmation on the quality of accommodations to meet high standards guaranteed by Eleanor Miller when she personally leads a tour for Live Wires did not meet her approval, the May European Tour has been cancelled.

A new tour is now being offered that will cover Spain, Portugal and Morocco. First class hotels, all meals, special night tours, and time to see and enjoy the Costa del Sol—with a cruise across the Straits of Gibraltar to Africa are included in the itinerary.

For information, call Eleanor Miller, 525-8757.

Working Through Winter

CABLECOM-GENERAL construction crews are proceeding at a rapid pace despite adverse weather conditions in order that they can bring their service in Albany residents. According to Dennis Monroe, manager, Cablevision service is now available to residents on Albany Hill, as reception there was almost nonexistent. "Construction will continue in Albany until the areas west of San Pablo Avenue are completed and then our crews will move easterly through the remainder of the city," Monroe stated further that he expected the entire city would be completed by June 1, 1971. Lights in homes west of San Pablo are burning later these nights because for the first time television is being seen without interference, which has plagued hill homes since the birth of the entertainment medium. Within the week streets north of Marin on Kains and Stannage will be cut in.

Walnut Creek Soccer Team Dumps Albany 5-0

The Albany Soccer Club under 12 boys team bowed to the league leading Walnut Creek Jaguars, 5-0, in Alameda-Contra Costa Youth Soccer League action on Saturday, Feb. 20, at the victors' home field in Walnut Creek.

Dominic Ng, Albany coach, said, "Walnut Creek was the better team, no doubt, with this being the best of their three under 12 teams, but we didn't play well today. I guess we should feel lucky it wasn't as bad as it might have been. Eric Ring at right halfback position played well at defense, but we weren't able to generate the offense needed to offset the size of those Jaguars."

Another Walnut Creek team is slated for the match next week, again on their home field. "This time the United team looks less formidable after playing the Jags," said Ng, "but one of our toughest offense men, Alan Kreuger, had the chicken pox last week, will probably be out this week, and may take a few more with him." A coach's life is not an easy one, especially when

bany Chamber of Commerce, Mechanics Bank and MacGregor Homes.

LOTS OF OPTIMISM around the Chamber of Commerce office. That long-planned Beautification project is scheduled for completion by Aug. 31. And, by the way, the new lights the length of Solano are simply great.

TOM GORMLEY, the young St. Mary's High School senior who received the Soroptimist Youth Citizenship Award Sunday is truly an outstanding young man. His short speech of acceptance Sunday afternoon was reason enough for us oldsters to have faith in the youth of today.

NANCY RAMOS, who labors at City Hall, won the \$50 cash prize at the Soroptimist show. Other top winners were Janet Kelly of Richmond, Edith Lennox, Olive Bentley, Helen Baum and Ellen Abbott. Call Brothers' Jewelers gave a gift which was not acknowledged in the program.

Tahoe and Reno Trips Planned

The public is invited to Reno on Sundays, March 7, 14 and 28 and on Saturdays, March 6 and 20.

The round trip fare is \$15 with \$19 refund value. The trips leave at 5 a.m. and return at 10 p.m. the same day.

The Sahara-Tahoe trip is scheduled to leave at 7 a.m. on Saturday, March 13, and will be back by 11:30 p.m. the same day. On the Tahoe trip children are welcome for \$8 each and adults \$14 with an \$8 refund.

For information and reservations call Alice Santoro, 525-9173 or Mary Ricketta, 525-2602, between 10 a.m. and 9 p.m. only. Greyhound buses will depart from behind Lucky's Market at the El Cerrito Plaza.

week during summer months. Many weekend retreats for "Y," church and youth groups are held during spring and fall. The camp kitchen was condemned by the Health Department, which necessitated borrowing \$31,000 for replacing kitchen and building additional showers and restrooms. This debt must be repaid and the 41-year-old dining hall must be replaced as well as camp office and lodging for cooks. Camper cabins are 40 years old and it is planned to winterize six new ones to allow for increased winter usage. Water storage is inadequate and an additional water tank is greatly needed.

The campaign will be conducted in three phases with corporations and other sources of potentially-large gifts being seen early in the campaign with a goal of \$323,000 from 30 to 40 contacts.

A second phase of the campaign will be initiated in March with a goal of \$160,000 from 300 to 350 contacts.

The final aspect of the campaign will be the general solicitation with a goal of \$150,000 to be secured from a large number of calls to be made during the last three weeks of May.

On accepting the General Chairmanship Truitt announced that his first enlistment, that of vice chairman of the campaign, is Mr. Leslie Dobbins, who will share responsibility for developing the organization.

Features of the evening will include native costumes, native folk songs and tasty exotic tidbits from different countries. Models for the show will be parents, teachers, friends of Cornell School and University Village residents wearing their native costumes.

Programs for the evening will be handed out by Cornell School students. The costume show will be immediately followed by refreshments and coffee in the Cornell cafeteria. For an international evening join others in the audience in wearing a foreign costume.

The following PTA members are working on the program: Mrs. Gene Robinson, 527-2048; Mrs. Dean Flint, 526-2324; Mrs. Richard Hayes, 524-9139; and Mrs. Michael Pitt.

The public is invited and admission is free.

IT'S A GIRL

Mr. and Mrs. John Mattos of Kensington made Mr. and Mrs. Clarence Turtle of Albany grandparents for the second time within a week when their daughter, Carolyn Ann, was born Feb. 12 at Alta Bates hospital. She is their first child. He is with the Berkeley Police department. Mrs. Mattos is the former Barbara Turtle. Her brother, Gene, and his wife became parents of a son, Scott, on Feb. 6. Carolyn's other grandparent is Mrs. Mary Mattos of San Leandro.

STEPPING FROM CURB

Step down from the curb without checking traffic, warns the National Automobile Club, and you could be stepping down to your death. Look in both directions. Then walk safely across the street.

Editor, Albany Times:
Re: Proposed Tax Increase:
Peralta Junior College District Board of Trustees
400 Grand Ave.
Oakland, Calif.
Board Members:
A recent article in the Albany Times (attached) states that you will be putting a request for additional taxes on the April ballot, which will be used for the three colleges. Which three? Since this last "mess" at the Merritt campus, it would seem that it would also involve this campus.

In January, 1967, when the annexation proposal was made to build a Feather River branch of Peralta Junior College in Plumas County, the Board made the statement that the cost of this program would not exceed funds raised in Plumas County.

In September of 1969, Dr. John W. Dunn, Chancellor of the Oakland-based Peralta Junior College District, stated that Alameda County was subsidizing the Feather River College with more than 1/2 million dollars of the Alameda County tax funds.

With high taxes going higher, regardless of how small a tax raise is requested, it will become a burden upon many. We are interested in determining how much of the Alameda County tax funds are subsidizing out of county projects.

If this was eliminated, administrative costs cut and a bit of belt tightening on other costs, would a tax increase be necessary? Also, with all the vandalism which exists on these campuses, why should the taxpayer have to always pay?

Also, if money is so short, why does the District continually build more campuses?

We would appreciate hearing answers to some of these questions. Especially as to what amount of money we are putting out for the Plumas County college.

Very truly yours,
ELDA D. FOOTT
635 San Gabriel Ave.
Albany, Ca. 94706

Harmony Revue Scheduled For March 6

"The Naughty Nineties," a barbershop harmony revue, will be presented Saturday evening, March 6, at the Porjola Little Theater, with proceeds benefitting Berkeley Humane Society's Building Fund.

The show will feature old-time vaudeville, skits, a chorus line, the Albany-Cerrito Sweet Adeline chorus, plus three chapter quartets, the Blue Plate Special, Million-Airies, and the Four of Us. Humor will be the order of the evening, not only in performance by chapter members, but in guest quartets selected especially for their ability to entertain. Coming from Fresno, the Raisin Cains will bring a new great sound, and the Assigned Risks, men's comedy quartet from Hayward, will perform in their inimitable style.

Following the show, all attending are invited to a cast party at St. John's Hall for "food and fun." For information or tickets, call Marian Caruso, director, 525-7858.

Mary Shields Loves Teaching.

(More important, she loves to see kids succeed)

Reading can be a problem for children of *all* grade and I.Q. levels, as well as family income status. The child who can read will generally show higher achievement in school work and has a better attitude toward learning and himself. On the other hand, poor grades, failure and many behavioral problems can be traced to a child's inability to read well.

There are lots of reasons children have problems with reading. Once we recognize the problem, we can tackle it. For the most part, the children just need more individualized instruction and they lack confidence in themselves. Well, the Sullivan Reading Program builds confidence as it improves their reading skills.

Why Johnny and Ginny and Judy and Jimmy Can Read. The Sullivan Reading Program has been improving children's reading skills for years. In fact, more than five million school children have used nationally acclaimed Sullivan Reading materials to supplement their reading courses in school. Now, Sullivan Reading Centers are being established to expand learning opportunities for children at all levels.

Sullivan Reading Centers offer personalized reading instruction and self-paced small group instruction for each student. Classes are small — maximum of five students in each class and they are supervised by highly trained reading specialists selected for their genuine concern for each student's personal progress.

The step by step Sullivan teaching program is built on this highly personalized relationship between student and teacher.

The child builds on his own success. Students with individual reading needs first undergo a series of tests to determine their levels of ability and to provide bench marks for measuring continued progress. Each student works at his own pace, experiencing success and strong reinforcement as his reading improves.

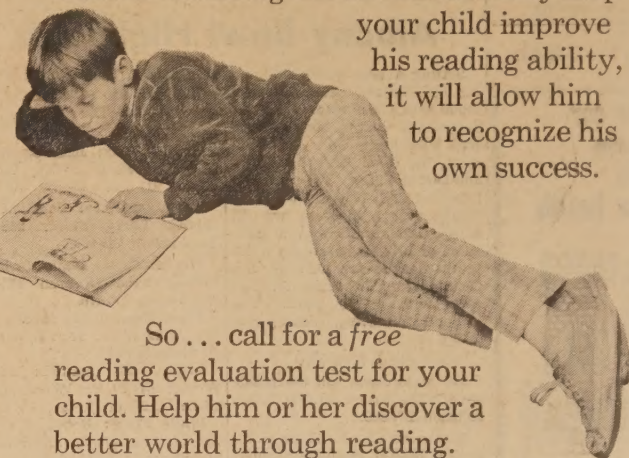

If certain word-sounds are easy for him, he works and progresses through the books rapidly. If he finds a difficult word-sound, his reading specialist helps him immediately. Each page of text is an upward step in his learning process. As he gets answer after answer right, he will learn to read simple words quickly and easily — and with confidence in his own ability.

Convenient times for Mother and Child. The Sullivan Centers are open from 10:00 a.m. until 6:00 p.m. weekdays and from 9:00 a.m. to 1:00 p.m. on Saturdays. Each student enrolls for a four-week session and attends the Center one hour a day. If he

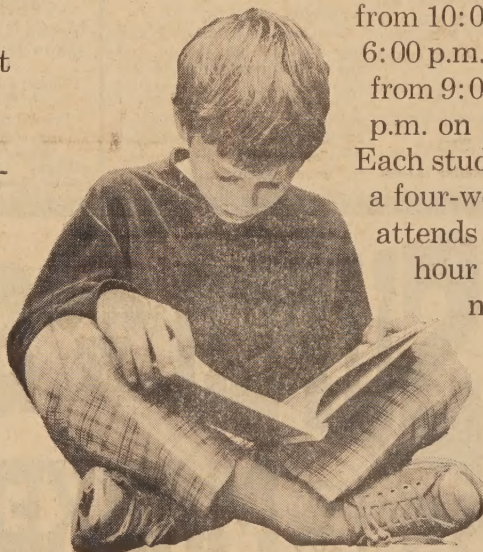

needs additional time during the course to make sufficient progress, he is given the

extra time at no additional cost. You'll find the costs are no more than swimming, piano or dancing lessons.

More than a reading program, the Sullivan Reading Center will not only help your child improve his reading ability, it will allow him to recognize his own success.

So... call for a *free* reading evaluation test for your child. Help him or her discover a better world through reading.

Mary Shields is the director of the new Berkeley Sullivan Reading Center.
